Project ID: SD2442

Title: Information Transfer

Focus Categories: Education, None

Keywords: information transfer, Education

Start Date: 03/01/2001

End Date: 02/28/2002

Federal Funds: \$12,862

Non-Federal Matching Funds: \$27,130

Congressional District: First

Principal Investigators:

Van C Kelley

Associate Professor, South Dakota State University

David R. German

Research Associate, South Dakota State University

Abstract

Information transfer is an important area of emphasis of the South Dakota Water Resources Institute (SD WRI). It emanates from the philosophy that the Institute is ultimately responsible for providing assistance to the public that funds it. Consequently, information dissemination is emphasized and encouraged, as an integral part of all program efforts. Information transfer at the SD WRI includes activities in public outreach, interaction with State and Federal agencies, youth education, and Institute publications.
